

Chapter 1: Terms to Know

Students are to use pages **1 – 23** of their textbooks, as well as notes and class discussions to answer the following questions.

| |
|-------------|
| Atmosphere: |
| |

| |
|-------------|
| Autotrophs: |
| |

| |
|---------------|
| Biodiversity: |
| |

| |
|------------|
| Biosphere: |
| |

| |
|------------|
| Carnivore: |
| |

| |
|----------------|
| Closed System: |
| |

| |
|---------------------|
| Conservation Ethic: |
| |

| |
|-------------------|
| Conservationists: |
| |

| |
|------------|
| Constants: |
| |

| |
|-------------|
| Decomposer: |
| |

| |
